Casey's Corner Convenience)	
Store #10 aka Story)	
Distributing Company and)	
Chris George,)	
)	
Defendants.)	

**UNOPPOSED MOTION TO EXTEND PERIOD FOR SERVICE UPON
DEFENDANT GEORGE**

Plaintiff, by her attorneys, requests that the Court grant her an additional ninety (90) days to serve the Defendant Chris George. Counsel for Defendant

Story Distributing Company has been advised of this motion and has no objection.

In support of this motion, Plaintiff advises that she has engaged a process service company licensed in the State of Montana to attempt service upon Mr. George at his last known address in this state, at his last known place of employment in Montana, and at an alternative address in Montana identified in certain court records involving Mr. George. Plaintiff further advises that she has engaged a process service company in Charlotte, North Carolina, to attempt service upon Mr. George at the last known address(es) of his immediate family members. Plaintiff has also attempted to locate Mr. George by means of various public record data sources, including motor vehicle records. To date, Plaintiff has been unable to locate and serve Mr. George although she has exercised and continues to exercise due diligence to do so.

As a result of the foregoing, Plaintiff requests an additional 90 days, in addition to the 90-day time period afforded by Local Rule 4.5(a).

For the convenience of the Court, a proposed order is attached and has been forwarded electronically pursuant to Local Rule 7.1(c).

Respectfully submitted this 1st day of October.

This matter coming before the Court on the Plaintiff Faron Siers' unopposed motion to extend the period for service upon the Defendant Chris George and good cause appearing therefore,

IT IS HEREBY ORDERED that Plaintiff's motion is granted and Plaintiff is afforded an additional 90 days, until January 8, 2019, to accomplish service upon the individual Defendant Chris George.

Done and dated this ____ day of October, 2018.

Susan P. Watters
United States District Court Judge
